About Alzawahed

About Alzawahed

Since its establishment in 2007 , Alzawahed For Security Services has solidified its position as one of the leading security service providers in the Kingdom. Today, the company employs a worKforce driven by discipline and responsibility, with a firm commitment to supporting Saudization initiatives and developing national talent in line with the objectives of Saudi Vision 2030 and the Human Capability Development Program. Throughout its journey, the company has built an outstanding tracK record of serving a distinguished clientele across both government and private sectors, grounded in principles of quality, .reliability, and added value—ensuring long-term partnerships and growing trust

We are more than just a security company … we are your partners in protection.

Our Vision

we believe that security is a fundamental pillar for building stability and achieving sustainable success. We aim to be the leading and trusted provider of comprehensive security solutions in the Kingdom, offering professional services grounded in expertise and modern technology.

Our Goal

We place our clients at the heart of our priorities by delivering innovative, reliable, and tailor-made security services designed to meet their specific needs. Our success is built on strategic partnerships with leading global security firms, complemented by the expertise of top consultants, academics, and former military specialists.

Providing integrated security systems that precisely and, effectively address our clients' requirements.

Our Values

Professionalism

We adhere to the highest standards of quality and discipline in delivering our services, continually striving to develop our teams and enhance our performance to meet our clients' expectations.

Safety

We place the safety of our clients at the forefront of our priorities, worKing with precision and professionalism to ensure a secure and stable .environment at all the sites we serve

Excellence

We strive for leadership in everything we offer through continuous development of our capabilities, adherence to the highest standards, and delivering security services that exceed expectations.

Responsibility

We carry out our duties with full commitment, fully aware of the importance of our role in protecting lives and property, and taKing .responsibility for every decision we maKe

The idea of establishing Alzawahed For Security Services was born from a firm belief in the importance of building a professional enterprise based on a realistic and in-depth study of the security sector's needs. A comprehensive field analysis was conducted to understand challenges and identify opportunities for improvement, which led to the formation of a specialized team combining experience and expertise. We focused on innovation and Keeping pace with the latest security methods and technologies, contributing to the development of an integrated security program that enhances performance and delivers sustainable value to our clients.

— Founder of Alzawahed For Security Services
Ibrahem Al-jazaa
